## How to use mobile applications?

(!) Download both applications from Google Play or iTunes. QR codes from the previous page will direct you to the app stores.

A QR code printed in your book will direct you to the right UNIT in the app WORDS.

for vocabulary translations and recordings scan the QR code with the mobile app: WORDS

(!) Remember to download the APP from Google Play or iTunes first.

Mobile application WORDS

This application contains all the vocabulary from your coursebook, including the pronunciation and translations.
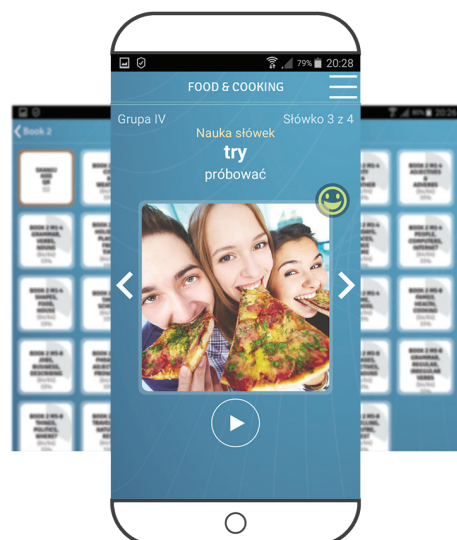

The app will enable you to record words, analyze and practise your pronunciation. It is a great tool to improve your accent.

The vocabulary in the app WORDS appears in the same order as in the coursebook.

A QR code printed in your book will direct you to the right CATEGORY in the app PRACTISE.

to practise vocabulary from Modules 1-4 scan the QR code with the mobile app: PRACTISE

(!) Remember, first you need to download the APP from Google Play or iTunes.
Mobile application PRACTISE

This application contains all the vocabulary from your coursebook, organised in thematic categories, which should facilitate revising words, especially before exams.

The app PRACTISE is a set of a few simple exercises for each group of words to help you learn vocabulary faster.

How to use online exercise?

The ENGLISH designed with DIRECT METHOD online course contains plenty of useful exercises designed for the coursebook.

The QR codes from your coursebook will enable you to quickly and conveniently find appropriate online exercises, videos with grammar lessons or dialogues with native speakers. You will be able to learn even more.

A QR code printed in your book will instantly direct you to the right exercise, video or dialogue on the online platform.

to watch videos scan the QR code or type in the link http://www.dlhub.eu/start/EN3U02V

This is the link to your online course on the DLHUB platform.
