A mobile app

An interactive coursebook

We recommend the interactive coursebook app.
After installing it, you will be able to activate the coursebook that you are studying from (by going to the the website ebook.dlapp.eu and using the discount coupon from the second page of the cover) and to download it to your mobile device. You can also purchase other coursebooks.

The application will enable you to listen to the recordings of all the vocabulary, questions and answers, and grammar explanations included in the book.
The recordings are performed by English native speakers.

The app enables you to hide or show all the translations and answers.

The interactive coursebook is an effective and convenient way to learn more.
